Mr. James M. Frey  
Assistant Director for Legislative Reference  
Office of Management and Budget  
Washington, D.C. 20503

Dear Mr. Frey:

This is in response to your legislative referral memorandum of 9 April 1985, asking the Agency for review and comment on Senate Resolution 90 (S.Res. 90). This non-binding resolution calls for the public release of classified information contained in an Executive report to Congress on noncompliance by the Soviets to the unratified SALT II and other arms control treaties to which the Soviets are a party.

In accordance with your request we have reviewed S.Res. 90 and note that the State Department has replied in opposition to the resolution. We concur in the opinion of the State Department and defer to their views.

Sincerely,

/s/Charles A. Briggs
